Welcome to 24 New Street Stornoway

Christine and Angus welcome you to their self catering cottage in Stornoway.

Situated just a five minute walk from the centre of the town the cottage provides a comfortable base from which to explore these magnificent Islands.

There are many things to see and do, the list is really as long as your imagination. Children are not forgotten with the vast expanse of golden sandy beaches making intriguing playgrounds

for both Children and Adults.

We can not possibly squeeze into this brochure everything there is to do so here is a small selection.
